FYI –

The attached excel file contains the FY15 Remedial Site Assessment sub-measure goals and site universes for each region.  
SEMS report no. SA-034 shows progress towards completing the sub-measures.  
The FY15 version of SA-034 has been created and should be available in SEMS in early December.

Also, Bill Dalebout (OSRTI) will introduce the One EPA Web Content topic.

**Subject:** FW: Final Agenda times for SA NPL call on November 25

Our next SA NPL conference call is **noon eastern, Tuesday, November 25. The call in number is (b) (5) and conference code (b) (5)**. A number of people responded that they were available for the call.

Agenda items to be discussed:

- Discussion with OMB regarding special rules- Terry, Bob
- Need for specific doc record preparation training and, if so, optimal timing given that some regions will be re-awarding START contracts and new contractors will need training -Terry
- FY15 Site Assessment Sub-Measures - Randy
- One EPA Web Content - Randy
- Any other topics regions would like to raise.

Thanks.
